

# 2<sup>nd</sup> International Workshop on Brillouin Scattering

Brillouin And Neutrons: Assessing New Advances

SAPIENZA  
UNIVERSITA' DI ROMA  
Physics Department

3-5  
February  
2016

THz excitations in disordered condensed matter  
and in biological and magnetic systems

Neutron and photon inelastic  
scattering at low Q

Modeling

Simulation techniques

Instrumentation

Perspectives

Organizers:
