Società Italiana di Spettroscopia Neutronica

Training on Neutron Techniques

A three-year project of Advanced Schools on neutron scattering techniques addressed to PhD students, PostDocs and Researchers in scientific disciplines like Biology, Chemistry, Earth Sciences, Materials Sciences, Physics, Sciences for Cultural Heritage Conservation, and similar

Second edition

INELASTIC NEUTRON SCATTERING

Hotel Steinpent
San Giovanni in Valle Aurina (BZ, Italy)
17 - 24 June 2023

Project coordinator: R. Magli (Univ. Milano)

Directors:
A. De Francesco (CNR-IOM, Grenoble)
L. del Rosso (CNR-IFAC, Sesto Fiorentino)
A. Paciaroni (Università di Perugia)
A. Pietropaolo (ENEA, Frascati)
