

TNT: Training on Neutron Techniques

Third edition

SMALL ANGLE SCATTERING AND REFLECTOMETRY

A three-year project of Advanced Schools on neutron scattering techniques addressed to PhD students, PostDocs and Researchers in scientific disciplines like Biology, Chemistry, Earth Science, Materials Sciences, Physics, Science for Cultural Heritage Conservation and similar

Hotel Steinpent
San Giovanni in Valle Aurina (BZ, Italy)
16-21 June 2024

TNT Project coordinator: R. Magli (Univ. Milano)

Directors:

M. Maccarini (CNRS - Université Grenoble Alpes)
F. Spinozzi (Università Politecnica delle Marche, Ancona)
G. Vitiello (Università di Napoli Federico II)
A. Pietropaolo (Enea, Frascati)
