

How to apply for an ENEN fellowship (amount: 850 euro) for the TNT School 2025

- 1) Go to the **ENEN site**:

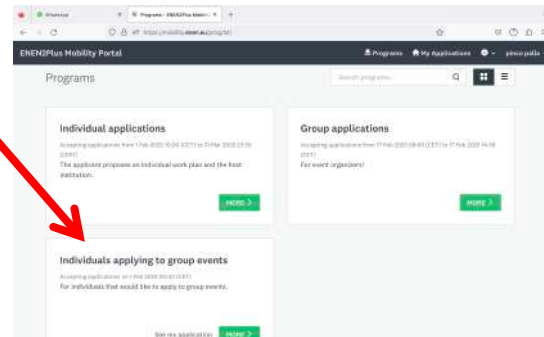

<https://mobility.enen.eu/prog/individuals> applying to group events/

and **Register** with your data

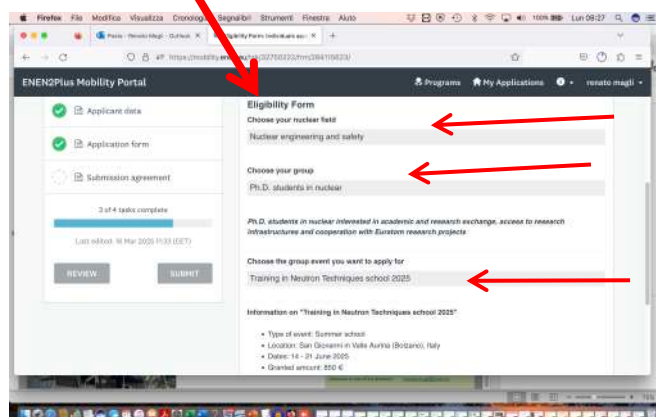

- 2) Once you've created your own account please **Log in**.

- 3) Select the **Individuals applying to group events** Option

- 4) Complete the **Eligibility Form** with your personal data and choosing as 'Group event' the 'Training in Neutron Techniques school 2025' event

5) You've now to complete the **APPLICANT DATA** form.

6) Next step: upload your **CV** and a **motivation letter** into the **APPLICATION FORM**.

7) 3 of 4 tasks are now complete: you can therefore **SUBMIT** your application.

That's all for your application.

The grant (850 euro) will be paid by bank transfer once the selection procedure will be completed (around mid-April), using the IBAN data indicated by the selected applicants.

It has to be stressed that the 850 euro grant is expected to be used as follows:

- most of it (500 euro) will cover part of the own hotel expenses, which will amount to 600 euro;
- the remaining 350 euro will cover part of the School registration fees, which amount to 650 euro.

The selected applicants are therefore expected to pay at their own expense a total of 400 euro, i.e. 100 euro (contribution to the hotel expenses) plus 300 euro (contribution to tuition fees).
